PART I: GENERAL PART

1.1.1 1.1 Scope of Application

1.1.1 The Procuring and Disposing Entity invites applications for the short list of works, services and supplies described in **Appendix B**.

1.1.2 Through out this document:

- (a) The "Applicant" means the bidder submitting an application; and
- (b) "Application" means a bid or submission to be short-listed.

as defined in the Public Procurement and Disposal of Public Assets Act, 2003 of the Government of Uganda and the regulations and KRECS Procurement Policy.

1.1.2 1.2 Source of Funds

1.2.1 The Procuring and Disposing Entity has an approved budget from KRECS Savings and Contribution from Society members towards the cost of the procurements described in **Appendix B**. The Procuring and Disposing Entity intends to use these funds for payments under the contract(s) resulting from the bidding for which this short list is conducted.

1.1.3 1.3 Corrupt Practices

1.3.1 It is the Government of Uganda's policy to require that Procuring and Disposing Entities, as well as Applicants and Providers, observe the highest standards of ethics during procurement and the execution of contracts. In pursuit of this policy, the Government of Uganda represented by the Public Procurement and Disposal of Public Assets Authority (herein referred to as the Authority):

- (a) Defines, for the purposes of this provision, the terms set forth below as follows:
 - (i) "corrupt practice" includes the offering, giving, receiving, or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution; and
 - (ii) "fraudulent practice" includes a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Procuring and Disposing Entity, and includes collusive practices among Providers prior to or after bid submission designed to establish bid prices at artificial, noncompetitive levels and to deprive the Procuring and Disposing Entity of the benefits of free and open competition;
- (b) will reject a recommendation for award if it determines that the Bidder recommended for award has engaged in corrupt or fraudulent practices in competing for the Contract; and
- (c) will suspend a Provider from engaging in any public procurement proceeding for a stated period of time, if it at any time determines that the Provider has engaged in corrupt or fraudulent practices in competing for, or in executing, a Government contract/KRECS Contract.

1.3.2 In pursuit of the policy, the Government of Uganda requires representatives of both the Procuring and Disposing Entity and of Providers to adhere to the relevant codes of ethical conduct. The Code of Ethical Conduct for Providers is available from the Authority and Providers are required to indicate their acceptance of this code through the declarations in the **Application Submission Sheet**.
